Dear New Client,

Thank you for the confidence and commitment you are demonstrating through your decision to pursue Naturopathic Health Care at our clinic. Congratulations for taking a step towards better health. The benefits of optimal health will be proportional to the effort and dedication you put into your daily choices. You have the option to feel better, live healthier, look and feel younger, and live longer. It is found that lasting improvement in one's health takes place in the presence of heightened focus, dedication and education.

We commit to maintaining the highest professional ethics, competence and personal integrity at Sunrise Health Services. We also commit to helping you achieve your health goals through education, consultation, laboratory testing, audio/visual aids and reading materials.

Your careful consideration of each of the enclosed questionnaires will enhance our efficiency, improve our accuracy and will provide for more effective use of your scheduled consultation time.

Please read and complete each form to the best of your ability. **Note, you will have to get started on the Diet Survey promptly** as this requires time and careful attention (being sure to reflect your usual dietary habits). Many find the completion of these forms a valuable process in itself. If you feel that we have overlooked anything pertaining to your health, please add it to the package.

If you need further clarification, feel free to call us at the office **519.271.0763**. Please drop off your completed forms to the office, or at the very least have them filled out and bring them to your initial consultation.

**Important : Please bring any supplements & medications you are currently taking with you to your appointment.**

Thank you for your time. We look forward to helping you achieve your health goals.

Katherine Ackland  B.Kin., N.D.  
Courtney DeBoeck  BSc, N.D.  
Holly Johnston  BSc, N.D.

**CHOOSE TO LIVE A HEALTHY AND FULL LIFE EVERYDAY!**
To facilitate the efficiency of our office and to ensure that you will derive maximum benefit from the care offered, we have established the following office policies:

1. Full payment is to be made at the time of your visit. We accept Cash, Cheque, Debit, Visa or Mastercard.

2. We respectfully request a **minimum of 2 business days** notice in the event that you cannot keep your appointment so that someone else on our waiting list could be accommodated. **Otherwise we would have to bill you for 50% of your missed appointment fee.** We understand that there are unforeseen events and circumstances, and these will of course be taken into consideration. Our answering machine is available outside of business hours to take messages.

3. With the number of clients we thoroughly interview, assess and treat, timing is crucial. For the respect and convenience of our clients and for the efficient operation of our clinic, we endeavour to keep scheduled appointments on time. However complications and emergencies do arise and in these circumstances, we appreciate your patience and understanding. You also will receive the devoted time and care of your doctor. **Please note that when you arrive late for your appointment, only the balance of the time that was booked for you can be used.**

4. We reserve the right to discharge any case where:
   
   • the Naturopath feels that the case is beyond the scope of practice of this clinic.
   
   • the Client refuses to co-operate with the recommendations mutually agreed upon.

5. We are required by our licensing board to perform a physical examination on each new client. This will be adhered to unless a full report is sent by the referring practitioner and that report is accepted by this office.

6. Telephone and e-mail consultations provide a professional service and as such will be subject to a fee on the discretion of the attending Naturopathic Doctor.
